

Chudleigh Nature Trail

Illustrations of rubbing posts by Amy Hughes

Chudleigh Nature Trail

Take a stroll around town and see if you can find all 12 rubbing plaques.

Scan the QR codes on each of the 12 posts to find out more about our wonderful wildlife!

Activity sheets to collect the rubbings of the images on the posts can be collected from the Town Hall or downloaded from:

www.chudleighwild.org/naturetrail

Starting Point: Near the pre-school entrance, opposite the Co-op.
